

Dear ,

Thank you for your interest in the Psychopomp workshop. If you have not yet had a chance, do take a look at this hidden page on our website: <https://shamanic-vision.net/about-psychopomp/>

Psychopomp is serious Shamanic Work. It is not for everyone and rather than share these teachings with others who it is not appropriate, both you and I need to know if this is the right course for you. Class size is also limited. Please take a moment and answer the following questions.

- 1) How strong is your connection with your Guides & Power Animals? Explain how and about your connection.
- 2) What attracts you to Psychopomp?
- 3) Are you familiar with the Middle World?
- 4) How often do you do work in the Middle World?
- 5) Have you encountered Spirits in need of help in the Middle World before? If so, what happened?
- 6) There is a major disaster that happens somewhere in Ordinary Reality. What is your first impulse?
- 7) How many Soul Retrievals have you performed?
- 8) What are your thoughts on death?
- 9) Please do a Journey to your Axis Mundai and speak with your Guides about doing this work. Ask a Shamanic question, not a Yes/No. Use proper questioning here. Let me know what you asked and what is the answer.
